BRIEF QUESTIONNAIRE

Your name, year at UTA, and concentration/Major interest as an Arts student (be specific – if you're really into a certain aspect of VC like Illustration or Packaging or even another arts discipline entirely, tell me about it!):

Rate your level of experience in the following from 1 to 5
with 1 being no experience and 5 being very experienced

_ Laser Cutting/Engraving
_ CNC
_ 3D modeling/printing
_ designing clean vector paths

_ Basic electronics (soldering, reading circuit diagrams)
_ Arduino/physical computing
_ Computer programming (writing HTML counts)
_ Adobe Illustrator

Name (at least) three artists, designers, musicians, film-makers, or other creative makers who you are interested in – why?

What else are you interested in these days (this can be anything! What do you like to spend your time doing/looking at)?

Do you have a portable computer/laptop? What kind do you have (brand, operating system, other details if you know them):

How comfortable are you with the following (please rate from 1-10, with 1 = "I'm completely lost here!", 5 = "Ok, but requires great will or Wikipedia head-banging", and 10 = "I'm a pro at this!"):

____Basic computer use*   ____Problem-solving

____Downloading and installing software   ____Basic algebra and geometry

____Tool-building   ____Iterative design

____Sharing information/Teaching others   ____Project Documentation

____Working in teams   ____Time management

____Communicating with professionals outside of the arts

What are some resources you look at on the web for inspiration? Where do you go to see interesting stuff? (list on back)

*moving files, folder organization, renaming files, duplicating files, finding files
