Self-evaluation: For 3D Speculative Design Project
Name: Date
Write a self-evaluation in which you analyze how well you met your personal goals for the assignment.
1. What was your original goal/goals when you first received the assignment and thought about how you would accomplish successfully completing it?
2. If your goals changed, discuss how and if unforeseen goals emerged, describe what they were.
3. What do you think you did well while completing this assignment?

4. What did you do that you think did not work out so well on this assignment?

- 5. How many times did you ask for assistance from your professor outside of class during office hours or via email query?
- 6. Conclude your self-evaluation by assigning yourself an overall-grade based on the amount of time and effort spent completing the assignment. Explain why you would give yourself this grade.
