Sr. Sir. Your note respecting the names
of the officers who participated in the re-
cent service of the army on the Rio Grande
was received before our H. Q. left Mata-
moros, but on account of the press of business
could not be attended to at that time. I
now send a copy of our official list which
has been recently prepared under instructions
from Washington. I hope you will find it
legible though it has been hastily copied.
It may be useful to insure correctness
in future, & to send a copy of the Army
Register if in your hands.

I remain,

Yr. very truly
W. J. Bliss

The House of Commons
 has resolved that
 the proposed
 alterations in the
 law relating to
 the property of
 the Crown
 should be referred
 to a select committee
 to examine into
 the expediency of
 carrying them
 into effect.

Monday Sept 7. 1846

Genl. I wrote sometime since perhaps
two months to adjt Genl Bliss for
a correct list of the officers who were
present in the battles of the 8th and 9th.
It came to hand this morning. If
it comes to late, please add it to the
book as a last chapter, if a second edition
is ever called for as the list is decidedly
valuable and would add much to the
completeness of the work, I had an im-
perfect list, but would not send it
on. Please send to me by mail the
impressions of the word cuts, and the
work or soon as it is published.

In haste truly yours
